

REPASO SITUACIÓN DE APRENDIZAJE 2

1. Completa el número que falta para que sumen 10. (Escribe el número)

6	
---	--

4	
---	--

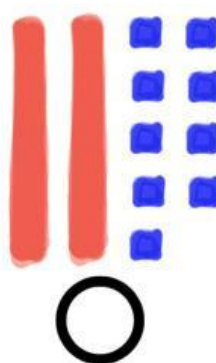

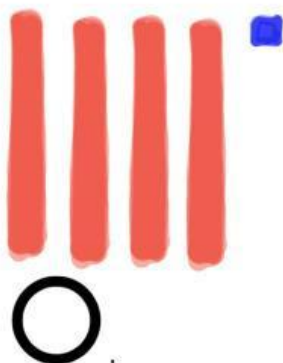

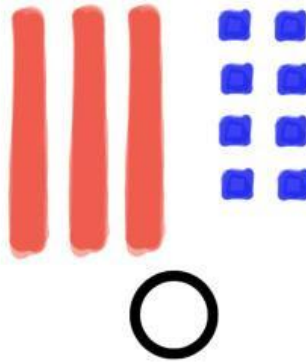

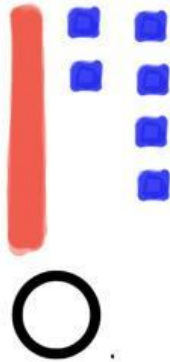

7	
---	--

5	
---	--

9	
---	--

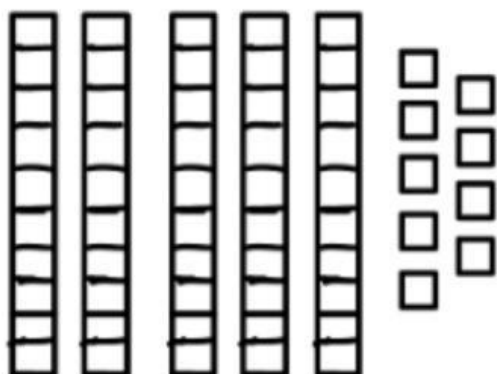

2	
---	--

2. ¿Qué número es?

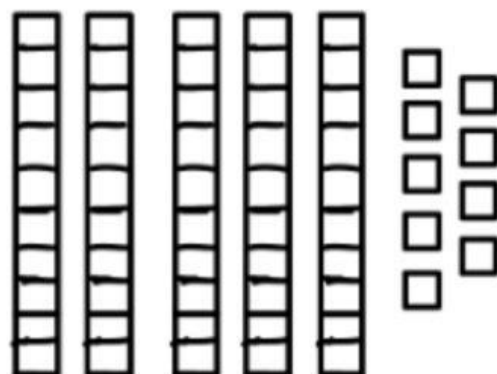

3. Marca las decenas y unidades necesarias para formar cada número.

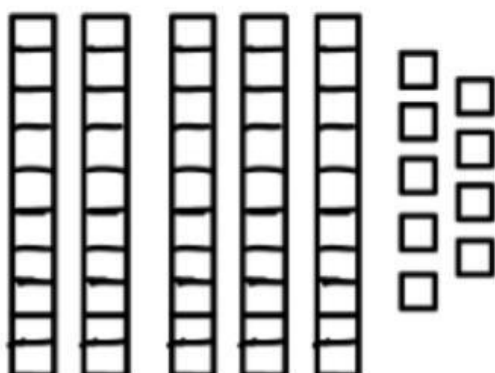

12

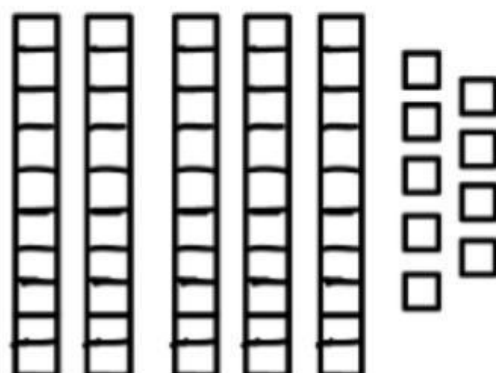

59

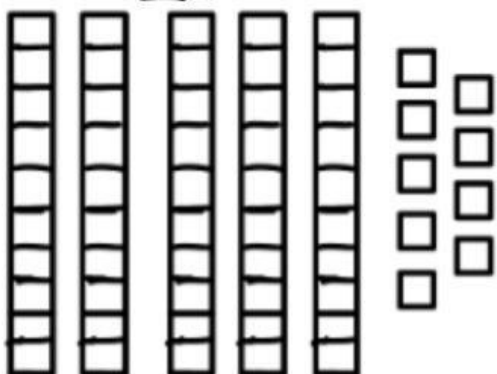

4

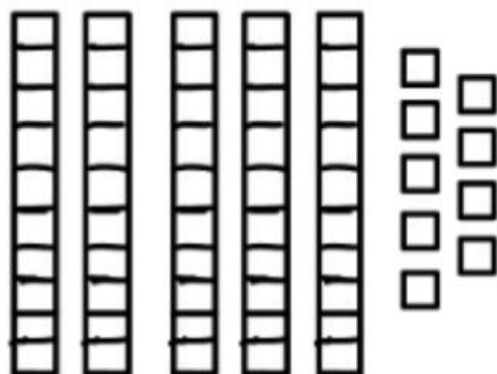

40

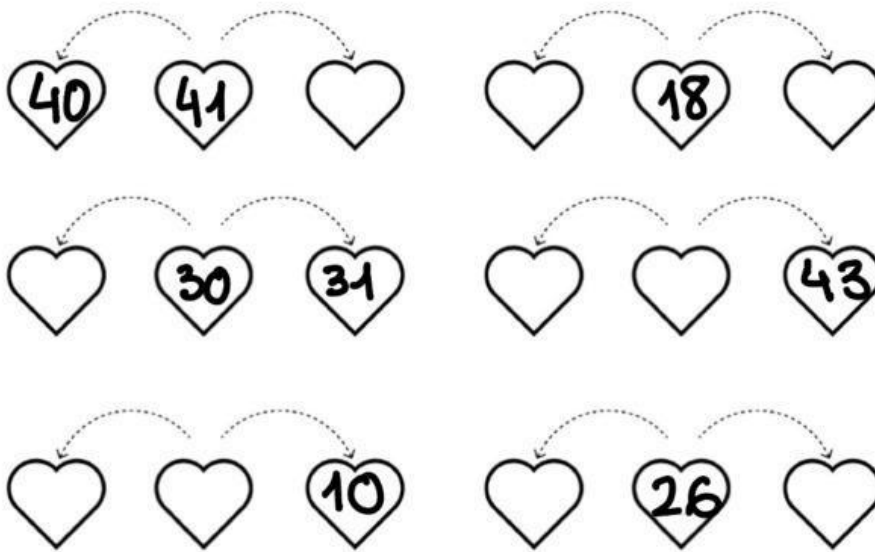

25

36

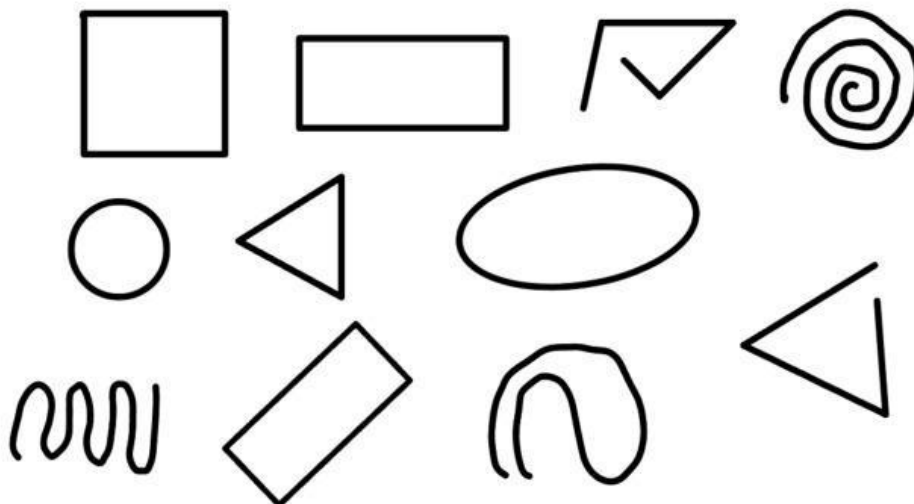

4. Completa los números que faltan.

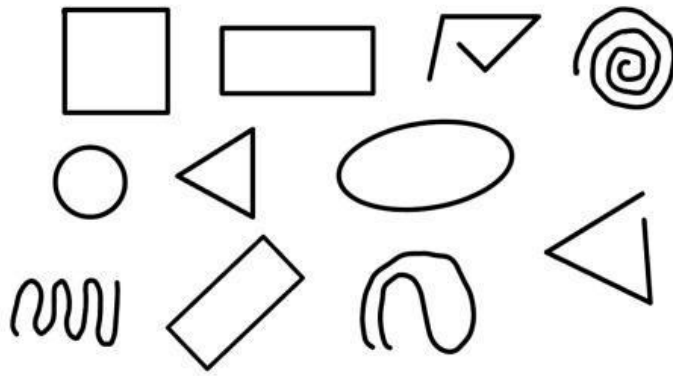

5. Resuelve.

$6 + 5 = \square$	$3 + 5 = \square$	$16 + 2 = \square$	$9 + 4 = \square$
$5 + 15 = \square$	$14 + 7 = \square$	$6 + 11 = \square$	$17 + 8 = \square$

6. Marca las líneas poligonales cerradas.

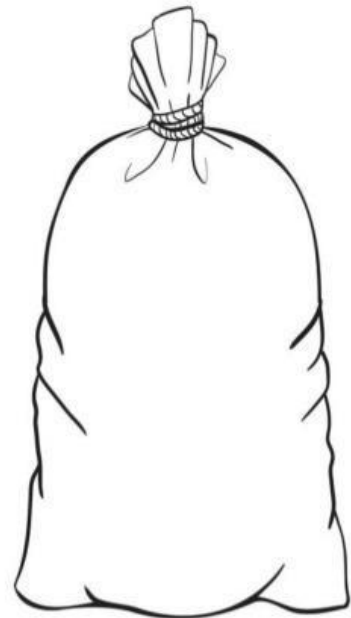

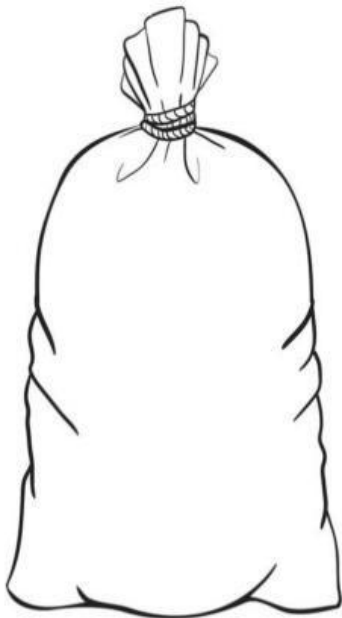

7. Arrastra cada figura a su lugar correcto

Líneas poligonales abiertas

Líneas curvas

Líneas poligonales cerradas
