

SEQUENCE OF EVENTS PRACTICE

How to Make a Sandwich

First, get two slices of bread. Then, spread butter on one slice. Next, put some cheese and ham on the buttered slice. After that, place the second slice of bread on top. Finally, cut the sandwich in half and enjoy it!

1. Put these steps in order by writing numbers 1-5:

- Spread butter on one slice of bread.
- Get two slices of bread.
- Place the second slice of bread on top.
- Cut the sandwich in half.
- Put cheese and ham on the buttered slice.

2. Fill in the blanks with the correct step.

First, get _____ slices of bread.

Next, spread _____ on one slice.

After that, put _____ and _____ on the buttered slice.

Finally, _____ the sandwich in half and enjoy!

A Day at the Park

One sunny morning, Mia decided to go to the park. First, she packed a picnic basket with sandwiches and juice. Then, she rode her bike to the park. Next, she sat under a big tree and had her picnic. After that, she played on the swings and the slide. Finally, she went home feeling happy and tired.

Put these steps in order by writing numbers 1-5:

- Mia sat under a big tree and had her picnic.
- She rode her bike to the park.
- Mia decided to go to the park.
- She played on the swings and the slide.
- She packed a picnic basket with sandwiches and juice.

A Lost Kitten

One morning, Anna found a kitten in her backyard. First, she gave the kitten some milk to drink. Then, she made a little bed for it in a box. Next, Anna asked her neighbors if they had lost a kitten. After that, she took the kitten to the vet to make sure it was healthy. Finally, Anna decided to keep the kitten and named it Snowy.

Put these steps in order by writing numbers 1-5:

- Anna decided to keep the kitten and named it Snowy.
- Anna asked her neighbors if they had lost a kitten.
- Anna gave the kitten some milk to drink.
- Anna made a little bed for it in a box.
- Anna took the kitten to the vet.

How to Plant a Seed

First, get a small pot and fill it with soil. Next, make a small hole in the soil. Then, place a seed in the hole and cover it with soil. After that, water the soil carefully. Finally, put the pot in a sunny place and watch your seed grow!

How to Bake Cookies

First, mix flour, sugar, and butter in a bowl. Then, crack an egg and mix it into the dough. Next, roll the dough into small balls and place them on a baking tray. After that, bake the cookies in the oven for 10 minutes. Finally, take the cookies out and let them cool before eating!

Tom's Birthday Party

Yesterday was Tom's birthday. First, his mom baked a chocolate cake. Then, his friends arrived, and they all played games together. Next, Tom blew out the candles and made a wish. After that, everyone ate cake and sang "Happy Birthday." Finally, Tom opened his presents and thanked his friends.

1. Put these steps in order by writing numbers 1-5:

- Water the soil carefully.
- Place a seed in the hole and cover it with soil.
