

My Likes and Dislikes

Hi! My name is Sarah, and I'm 12 years old. I live in a small town with my parents, my younger brother, and our dog, Max. Let me share some of the things I enjoy and a few things I don't.

One of my favorite things to do is read books. I love adventure stories because they take me to exciting places and introduce me to brave characters. My favorite book series is about a young hero who travels the world, solving mysteries and finding hidden treasures.

Another thing I enjoy is drawing and painting. I like to create colorful pictures of nature, like mountains, flowers, and sunsets. On weekends, I like to join my friends at the park, and we sometimes play basketball together. Even though I'm not the best player, I enjoy running around and having fun.

When it comes to food, I have a few favorites. I love pizza with lots of cheese and pepperoni. Ice cream is also something I can't resist, especially chocolate flavor.

However, there are a few things I don't like. For example, I really dislike spinach. My mom says it's healthy, but I just don't like the taste. I also don't enjoy cleaning my room. It feels like such a boring task, but I know it's important. Another thing I don't like is watching scary movies.

Even though I have some dislikes, I try to focus on the things that make me happy. Reading, drawing, playing with my friends, and enjoying my favorite foods bring me so much joy. What about you? What are your likes and dislikes?
