### **Toy Voyaging**

Some hobbies are stranger than others and toy voyaging is one of them. You can register online to send your toy on a vacation to another part of the world to 1) \_\_\_\_\_ on its own. You can also host someone else's toy if you like. People take this hobby incredibly seriously, giving their toy life missions they wish to fulfill, while hosts take photographs and complete travel journals of the toy 2) \_\_\_\_\_ away on vacation.

### **Soap Carving**

Soap carving may not be as intense as toy voyaging, but this hobby is much more suited to calm creative individuals who would like to 3) \_\_\_\_\_ hand-eye coordination and dexterity skills. You only need a few simple tools, like a carving knife, a pencil, and sandpaper, making it an affordable hobby that's easy to start. Carving intricate designs out of a soft soap requires precision and attention to detail, and your finished sculptures can be used as decor, 4) \_\_\_\_\_, memorabilia or even functional soap bars. A lot of soap art 5) \_\_\_\_\_ share their creation videos on social media or YouTube.
