

# Defying Gravity

Cynthia Erivo & Ariana Grande

Elphaba, why couldn't you have stayed calm for \_\_\_\_\_?  
Instead of flying off the handle!

I hope you're happy  
I hope you're happy now  
I hope you're happy how you've hurt your cause forever  
I hope you think you're \_\_\_\_\_

I hope you're happy  
I hope you're happy, too  
I hope you're \_\_\_\_\_ how you would grovel in submission  
To feed your own \_\_\_\_\_  
So though I can't imagine how  
I \_\_\_\_\_ you're happy right now

Elphie, \_\_\_\_\_ to me, just say you're sorry  
You can still be with the \_\_\_\_\_  
What you've worked and waited for  
You can have all you ever wanted (I know)  
But I don't want it  
No, I can't want it anymore

Something has \_\_\_\_\_ within me  
Something is not the same  
I'm through with playing by the \_\_\_\_\_ of someone else's game  
Too late for second-guessing  
Too late to go back to sleep  
It's time to \_\_\_\_\_ my instincts  
Close my eyes and leap

It's \_\_\_\_\_ to try defying gravity  
I think I'll try defying gravity  
And you can't pull me down

Can't I make you understand  
You're having \_\_\_\_\_ of grandeur?

I'm through accepting limits  
'Cause \_\_\_\_\_ says they're so  
Some things I cannot change  
But 'til I try, I'll never know  
Too long I've been \_\_\_\_\_ of  
Losing love I guess I've lost  
Well, if that's love, it comes at much too high a \_\_\_\_\_

I'd sooner buy defying gravity  
\_\_\_\_\_ me goodbye, I'm defying gravity  
And you can't pull me down

Glinda, come with me  
\_\_\_\_\_ of what we could do, together

Unlimited  
Together, we're \_\_\_\_\_  
Together we'll be the greatest team there's ever been  
Glinda, dreams the way we planned 'em  
If we work in tandem  
There's no \_\_\_\_\_ we cannot win

Just you and I, defying gravity  
With you and I defying gravity  
They'll never bring us down

Well, \_\_\_\_\_ you coming?

I hope you're happy  
[ ] that you're choosing this (you, too)  
I hope it brings you bliss  
I [ ] hope you get it  
And you don't live to regret it  
I hope you're happy in the end  
I hope you're happy my [ ]

So if you care to find me  
Look to the western sky  
As someone told me lately  
"Everyone [ ] the chance to fly"  
And if I'm flying solo  
At least I'm flying free  
To those who ground me  
Take a [ ] back from me

Tell them how I am defying [ ]  
I'm flying high, defying gravity  
And soon, I'll match them in renown  
And [ ] all of Oz  
No wizard that there is or was  
Is ever gonna bring me down

I hope you're happy (Look at her! She's wicked, get her)  
Bring me down! (No one mourns the wicked! So we've got to bring her)  
Oh! (Down)
