Grandma's House

We always do my favorite thing,
Baking ginger cookies.
They taste so nice and yummy,
We are both very lucky!

Yummy smells and her smiling face.
We really love my grandma's place.

We love my grandma's house.
It always smells so nice.
It smells like ginger cookies,
Sweet, with a little spice!

Grandma likes playing old songs
From when she was very young.
The music sounds so wonderful,
We have to sing along.
