# The Greatest Adventure in the World

**THE MONGOL RALLY** *A different kind of car race*

- 15,000 km in eight weeks in a tiny car.
- There's no route, not many roads and you get no help.
- YOU'RE ON YOUR OWN.

It's the Greatest Adventure in the World!!!

**Read the advert and study the map and answer the questions.**

- Where does the Mongol rally start and finish?
- Why is it "a different kind of car race"?
- Why do you think people call it "the greatest adventure in the world"?

**Listen and complete the notes. Use between one to three words**
