F. Read and answer. _____/3

New message

Hello. My name is Emily. I have a brother, Nate.
In the garden, there's a big apple tree. Apples
are a healthy fruit. I like apples. Does Nate like
apples? No, he doesn't. He likes pineapples.
Look at these apple seeds. They're brown. They
grow into trees. Pineapples grow from plants.
I'm hungry now! What do I want for lunch? Can
you guess? Yes! I want a big apple for lunch.
