Adele is a very popular English singer. She was born in North London. She lived in many different areas of London because her mother changed jobs very frequently. As a little girl, she liked singing pop songs. When she was a teenager, she discovered Ella Fitzgerald and decided she wanted to be a professional singer. After her graduation, some record companies became interested in her. In 2008, her first album was at the top of the charts around the world. The album's name was "19". Later, her second album, "21", became a real success. Two of its singles were "Rolling in the deep" and "Someone like you". She received many awards for her excellent work. Nowadays, Adele is one of the most important singers of the new generation.

1. The text is about a popular American actress.
2. Adele's mother didn't work.
