

## (Finding the Missing Length of Polygon Worksheet)

Find the length of the missing side in each polygon  
(figures 2,3,4 and 6 are regular Polygons)

1

Given, Perimeter = 10 in

2

Given,  
Perimeter = 20 yd

3

Given,  
Perimeter  
= 15 ft

4

5

6

7

8
