Hey there!

Christmas is awesome at my house! First, we _____ (1) the tree in our living room and _____ (2) the house. Then, we head outside and _____ (3) a snowman. It's so cool, and we give it a funny hat and carrot nose.

After that, it's time to _____ (4) gifts! I'm not very good at folding paper, but I love making ribbons. Sometimes, we even get to _____ (5) ice skating at the rink near our house. It's so much fun!

When Christmas Eve comes, we have a big family dinner to _____ (6). My mum is great at playing the piano, so we all join in and _____ (7) an instrument or sing along. We _____ (8) our favourite carols.

Then, it's time to _____ (9) gifts. The best part is seeing everyone's happy faces when they open what we got them.

Later, the grown-ups _____ (10) a toast, and we all drink something sparkly (mine is usually apple juice). We make sure to _____ (11) warm by the fireplace, and sometimes we even wear cosy Christmas sweaters.

Oh, and you can't forget about the yummy stuff! We _____ (12) candy canes, and I always try to see how long I can make one last. We also have a special treat - hot chocolate with marshmallows!

On Christmas morning, we wake up to find that Santa left us presents! It's my favourite moment! We also get to _____ (13) on a sleigh if it's snowy outside.

In the evening, we _____ (14) candles and sparklers outside. It's like our own little fireworks show!

Finally, we end the night with a lot of laughter. It's the best way to end such a special day! Hope your Christmas is just as fun!

Hugs,

Greta.
