PART 1: PERSONAL PRONOUNS!

Complete this article using personal pronouns:

Wicked: A Magical Story

Wicked is a story about two witches and journey to find themselves. Elphaba values herself for strength and kindness, even when others judge her for green skin. friend Glinda appreciates her charm and ability to spread horizons by trying new things. However, the two often argue because of different personalities.

When it comes to having relationships, Elphaba finds it hard to deal with people's prejudice, while Glinda tries to maintain popularity. friendship teaches them to assimilate new ideas and understand each other better. Last, but not least, the story reminds us to accept others for differences. message is powerful and inspires us to look beyond appearances.

The actresses in Wicked face unique challenges. Cynthia Erivo sings complex songs like Defying Gravity. Ariana Grande balances Glinda's charm and humor with personal growth. Both roles demand admiration for powerful vocals and emotional range.
