Fun with Family Photos

Joel Sartore is a famous photographer. He travels around the world and takes photos of amazing animals–over 6,000 different animals so far!

He also really enjoys taking photographs of his family. He even has a book called, Photographing Your Family. Sartore is married and has three children. He has funny photos of his children playing outside. He also has a photo of his wife, daughter, and son making dinner. The dog is next to them, looking very friendly. This photo "says a lot about what goes on in our house every night," Sartore says. But one of his favorite photos is of his daughter in her room. There are things all over. It's really messy!
