

PART 5

You should spend about 20 minutes in this part.

Read the text below. Six sentences have been removed from the text.
Choose from the sentences (A – H) to fit each gap (35 – 40).

K-Dramas

Crash Landing on You, Boys over Flower and Descendants of the Sun are some popular Korean dramas. Korean dramas have never been boring for all ages, especially teenagers and some adults.

(35) _____ The dramatic and romantic storylines are highly captivating, and the touch of romance completes the picture. K-dramas are now a highly well-liked form of entertainment for extended weekends spent binge-watching with friends or your significant other. There's something special and different about these romantic comedy shows—people can't take their eyes off the screen!

Undoubtedly, Koreans are renowned for their impeccable beauty. (36) _____ Well-known K-dramas are adept at casting actors who enhance the narrative and fully represent their roles. Every character in a K-drama has a distinct sense of style and fashion, which serves as important fashion inspiration for most people. (37) _____ They even transform basic, boring shades like grey or brown into stunning hues!

Even though they can be incredibly corny and romantic, K-dramas always have a shocking twist that leaves the viewer in complete amazement. For individuals who enjoy romantic comedies with a hint of drama or excitement, K-dramas are sure to satisfy. (38) _____ However, it would be meaningless without the humorous and eccentric dialogue. Korean actors are known for their impeccable line delivery and emotions, which lends them a natural sense of humour and sarcasm.

K-dramas typically consist of 16 to 20 episodes every season, each lasting 75 minutes. (39) _____ Because the viewer won't have to wait for the next season, this is a perfect option to binge-watch once. (40) _____ K-dramas give viewers an incredible visual experience, showcasing everything from towering corporate skyscrapers to picturesque locations surrounded by nature. It also offers a glimpse into Korean culture to the audience around the globe.
