

Ms.Stubbs

6th Grade Math Ice Cream Cone Project

Write equations on your ice cream scoops.

12/11/2024

Research the steps to the following problems, and write them on your scoops.

Solve the inequality. Check your answer

Choose only two

$$x + 7 \geq 18$$

$$a - 2 > 4$$

$$w + 7 \leq 4$$

Solve the equation. Check your solution.

Choose only two

$$x + 12 = 7$$

$$n - 1.4 = -6.3$$

$$-3 = k + 3$$

Solving Equations Using Multiplication

$$7x = 35$$

$$-7.8x = -1.56$$

Solving Equations Using Division

$$-3 = h + 8 \div 2$$

$$d - 2.8 \div 0.2 = -14$$

Write the word sentence as an inequality.

1. A number y plus 2 is greater than -5
