What are we  at here, Mr. Manley?

This is no .

This is something much more .

Invaders from Mars.

Hey, there, scout. Kent Mansley...

You work for the .

I have something for you.

Where did you find that?

Up at the  station.

Hogarth was out there the other .

Really?

See anything unusual, Hogarth?

No thing unusual, really.

So, I guess you're not going to  me, huh?

My own giant robot.

I am the  kid in America!

Where did he come from?

He doesn't . He's like a little kid.

Little, yeah.

Bonsai!

Ever hear of Sputnik?

It's like that giant thing in the .

We don't know what it can do.

What are you  about?

You think this metal man is fun. But who built it?

The Russians? The Chinese? Martians? Canadians? I don't !

You are going to tell me about this thing.

And we are  to destroy it before it destroys us!

We gotta show them you're good.

You are what you  to be.

I am Superman.

We must stop it at all .

Let's get outta here!

Run!

Ready the .

My son is out there!

We've gotta help him!

Hogarth, no!

I'm !e

Giant?

Hogarth.
