Write Basmalah: _____ (بِسْمِ اللّٰهِ)

I. Read the text below and answer the questions!

Yesterday, I went to the woods with my friends. The sun was shining and the birds were singing. By noon, we were walking along the path and I was looking at a beautiful rainbow. All afternoon we were planting trees. Marina was digging the holes and I was putting the earth round the young plants. We didn't swim in the stream because it was cold. We wanted to eat our sandwiches on the grass, but there were clouds in the sky and it was raining. We went into a cave behind a waterfall. The cave was scary but we were looking at the waterfall. We were happy!
