PART C. READ AND ANSWER THE QUESTIONS

UNCLE RICHARD

My favorite person in my family is uncle Richard. He is a very special and cool man. He is from a small city of Holland, but he lives here now. He studied animal medicine in a European popular university. But he is very humble because he never speaks about his important job. He works at the zoo, and he cures many animals every week. He loves to protect all species. Uncle Richard is 39 years old, and he has a very international family because his hobby is to travel around the world. His wife Elaine is 5 years older in comparison to my uncle, and she works in a medical profession too, but she cures teeth. There are 4 children in their family: Tommy, 13 years old, was born in Berlin. He likes to read books, and he is very calm. His sister Lucy is completely the opposite because she has a bad character although she is only 12 years old. She was born in London, the same as her brother Anthony. He is 9 years old and a big fan of sports, the same as his father. Finally, they have a 6-month-old baby; her name is Becky and she was born in Switzerland. She is a sweet girl that everybody adores.
