**How did the woman travel?**

Woman: Hello. I arrived here safely. I decided to drive because last time I was late when I took the train. It was raining so I didn't want to take the bus.

**Where did the woman stay?**

We were on the top floor of the hotel and we expected to have a wonderful view of the historic town. But our hotel only had 4 floors and there was a taller hotel in front of us. Impossible to see the city!

**What has the girl bought her mother?**

Every year I never know what to buy her for her birthday. But this time it was different. Last night we went to the mall to buy a pair of shoes for my dad when my mother entered a jewelry store and fell in love with a ring. It wasn't expensive though. She left the store to help my dad and it was the perfect moment to buy her the ring she loved.
