My name is Shariza

Hello, my name is Shariza binti Noor Hisham. I am 13 years old. In fact, I just turned 13 on the 25th of June, about two weeks ago. I'm known to my friends as Sha or Riza. I live in Taman Melur with my parents, elder brother and younger sister.

I'm a Secondary 1 student at SMK Taman Melur. As I live near my school, I go there on foot. My favourite subjects in school are maths and science. I like solving problems as they enhance my critical thinking skills. On Wednesday afternoons, I have to stay back in school for my extra-curricular activities. I am in the chess and adventure club at school.

One of my hobbies is reading. I am into mystery and sci-fi books. I also like camping. During the holidays, dad will take us to places like Taman Negara and Kinabalu Park where we would camp for one or two nights.

At home, I have chores to do. Mother draws up a schedule we have to stick by. I don't mind ironing, but I think taking out the trash, which I have to do twice weekly, is disgusting.
