SECTION B: READING

Read the following passage and mark the letter A, B, C or D on your answer sheet to indicate the correct answer to each question.

On weekends, my family and I enjoy spending time together. Saturday mornings usually start with a big breakfast at home. My mom makes pancakes or waffles, and we all sit around the table chatting about our plans for the day. Sometimes, we decide to go hiking in the nearby forest. It's peaceful and beautiful there, with tall trees and birds chirping.

If the weather is nice in the afternoons, we might have a picnic in the park. We bring sandwiches, fruit, and lemonade. We play games like Frisbee or soccer. It's a great way to relax and enjoy each other's company.

On Sundays, we often visit my grandparents. They live in a cosy house by the lake. My grandma is an amazing cook, always preparing a delicious lunch for us. We help her set the table and then enjoy a hearty meal together. After lunch, we walk around the lake or sit on the porch chatting and watching the sunset.

Evenings are for winding down. We might watch a movie together or play board games. It's these simple moments that make our weekends special. I cherish the time I spend with my family when we create lasting memories and strengthen our bond.
