I'm always on my computer and I love my gadgets! When I wake up I <sup>1</sup> check social media and texts. While I'm having breakfast, I <sup>2</sup> to podcasts on my Bluetooth® speaker and send some messages to my best friend. I don't often phone her because it's quicker and easier to talk via messages! I have my <sup>3</sup> in my pocket with me everywhere – even in class. I can go online and <sup>4</sup> for information – that's educational! At break and after school I <sup>5</sup> games on my phone and then in the evening I sometimes use the games <sup>6</sup> and play more games online. I wear a <sup>7</sup> all day, so in the evening I look at it and see how much exercise I did. At the end of the day my phone battery is down, but it always takes me ages to find a phone <sup>8</sup>!

I can talk about technology.
