Read the text and choose the correct option, true (T) or false (F).

**The Best Party**

The other day, Carol and her friends decided to have a fancy dress party to celebrate Halloween. They planned everything carefully and invited all their friends from school. Carol wanted to have the party in her house but her parents didn't like the idea. They decided to rent the dining hall at a club. They decorated it with black balloons, spiders and ghosts.

They prepared lots of amazing foods for the party. Carol's mum prepared sandwiches that looked like mummies. Everyone loved her sandwiches. The boys bought orange juice and soda and Samantha prepared a very big cake. It had the shape of a pumpkin but it was a carrot cake.

Some children were in charge of the activities. They organized exciting games and sang karaoke. All the kids were surprised when Aaron sang. He is a terrible dancer but his voice is beautiful. After that, they danced to their favourite songs.

Before going home, they chose the best costume. There were lots of witches and vampires but they didn't win. Joe won the contest. He was wearing a pumpkin costume, just like the cake!
