Tom and his mum have had a very busy day. They cleaned the house together this morning. His mum cleaned the windows and Tom used the vacuum cleaner to clean the floor. Then Tom helped his mum make some vegetable soup for lunch. But after that the cooker was a mess, so Tom cleaned it. His mum made a big chocolate cake because it's Tom's sister's birthday tomorrow. She'll be ten.

In the afternoon, Tom's mum sat down and made him a special costume made of cotton and rubber. This is because Tom is in the musical at school. She used her new sewing machine, which she bought last week, to make it. But there was a problem with the sewing machine and it doesn't work now! When she was making the costume, Tom made a lovely birthday card for his sister. It's made of paper and plastic. He'll give it to her tomorrow morning.
