

REFLEXIVE VERBS

You have been using a selection of **reflexive verbs** when describing your daily routine. You will have noticed that these verbs require a little extra word in front of the verb – this is called the **reflexive pronoun**.

Most reflexive verbs are 'er' verbs and **the endings will stay the same as usual for 'er' verbs**, you just need to add in the **correct reflexive pronoun**.

Exercise 1

Fill the gaps with the correct reflexive pronoun and verb ending from the box:

eg. **se** **douch****er** = to shower
