### Christmas Time

Christmas is a very special time of the year. It is celebrated on December 25th. Many families decorate their homes with colorful lights and put up a Christmas tree.

On Christmas Eve, children hang stockings by the fireplace. They go to bed early, hoping that Santa Claus will visit. Santa Claus is a kind, old man with a red suit and a big white beard. He travels in a sleigh pulled by reindeer.

Santa brings presents to children who have been good. He puts the gifts under the Christmas tree or inside the stockings. In the morning, children wake up excited to open their presents.

Some families also sing Christmas songs and eat special food like turkey, cake, and cookies. It is a happy time to share with family and friends.
