We really liked the Ace Hotel. It's a large hotel with 75 rooms, and it's near the train station. The workers at the hotel were very friendly. Our room was quiet, and the bed was big. The hotel has a beautiful swimming pool. Our children loved it. There's a very nice restaurant for breakfast, lunch, and dinner. We didn't eat dinner at the restaurant, but we had breakfast there every morning. There were a lot of different things to eat and drink on the menu. The weather was beautiful, and sometimes we ate outside. The only problem was the shower. It was very small, and one time we didn't have hot water.
