

## Task 1. Choose the correct variant

- 1 My grandpa will be **60** **seventy** / **sixty** in January.
- 2 My mother will have her birthday in May. She will be **40** **forty** / **fourteen**.
- 3 My father will be **38** **thirty-seven** / **thirty-eight** in September.
- 4 My brother will have his birthday in June. He will be **14** **fifteen** / **fourteen**.
- 5 My friend will be **20** **ten** / **twenty** in December.
- 6 My sister will have her birthday in April. She will be **11** **twelve** / **eleven**.
- 7 I will be **10** **ten** / **twenty** in October.

## Task 2. Read and choose the correct variant

“Happy birthday and many happy returns of the day!”<sup>1</sup> the English usually say to a man or woman on this day. Friends write greetings on birthday cards and give presents.

1

A birthday is a special day for a person. It is a personal holiday, but people like to be with their friends and their family on this day. That's why they make up birthday parties.

2

At a birthday party there is always a cake with candles on the table. Count the candles or read the number and you will know how old the person is!

3

### Choose and complete.
