Christmas is a happy time of the year. It comes on December 25th, and many people celebrate it. We put up a Christmas tree in our homes and decorate it with lights and baubles. Some families also light a candle to make the house feel warm and cozy.

Children hang a stocking by the fireplace or on their bed. They hope Santa Claus will come at night and fill it with sweets and small toys. Santa wears a red suit and has a big white beard. He brings presents for children who are nice all year.

On Christmas Eve, families eat together and sing songs. They also give each other presents to show love. It's a time to be happy and kind.
