

I've Been Travelling

I (travel) around Europe for three months. I (be) to Germany, Denmark, Italy, and the Czech Republic. I (learn) to say "hello" in many different languages. I'm in France right now. I (backpack) around France for three weeks. I (visit) Paris, Lyon, and Toulouse. I (see) the Eiffel Tower and Montmartre. I (sightsee) in the south of France this week. I (eat) very well here. The food is so delicious, and I love the fresh baguettes. I (buy) a baguette every morning for breakfast. I (stay) in the youth hostels because they are cheaper than hotels. I (meet) lots of other backpackers during my travels. In Toulouse, I (met) an Australian girl and a Japanese guy in the youth hostel, and we (travel) together ever since. We (travel) by train. I will head off to Spain on my own soon.
