B. Read the text about the benefits of studying English online. Choose the correct option (A, B, C or D).

The Benefits of Studying English Online

Do you want to learn English, but you can't take lessons in your local area? Well, online courses might be the right option for you. They are a great way to learn English for many reasons. Let's read about some of them below!

A. Low cost: Online English courses are often cheaper than traditional classes. This means that more people can afford to learn English.

B. Flexible schedule: With online courses, you can study English at any time that suits you. This flexibility means that you can fit your studies around your work or other responsibilities.

C. Match student's needs: You can find online English courses that suit your learning needs. Since you can focus on the areas of English that you find most challenging, this will help you improve faster.

D. Accessible: Online courses make learning English accessible to everyone. If you have an Internet connection, you can learn English from anywhere in the world.

E. Students control their progress: In online courses, you are in control of your own progress. You can learn at your own speed and focus on the areas you find most interesting.

It's clear that studying English online offers many benefits because it's affordable, flexible, useful, accessible and student focused. With all these benefits, who wouldn't want to give them a try?
