A skateboarder's dream

This house is a perfect house for skateboarders. There aren't any carpets, plants, pictures or posters on the walls in this house. Why? Think about it!

Normally people skateboard in the park or in the garden. In this house people skateboard inside! They skateboard in the living room, in the kitchen, in the bedroom and in the bathroom. They skateboard on the walls too!

Look at the living room. There's a table, some chairs, an armchair and a sofa with some cushions. It looks typical, but people skateboard on the sofa, tables and chairs!

There's a big skateboard practice room too. People train with friends and they have competitions there. It's really cool!

It's a skateboarder's dream house.

A house in a tree!

**Luke is on holiday.
Look! His holiday house is in a tree!**

Yes, we're in a tree house! It's very cool. There are two bedrooms: one is big and one is small. In the small bedroom there's a desk and a chair and there are two beds – for me and my brother. The big bedroom is for my mum and dad. There's a small bathroom too.

There's a big kitchen and there's a small living room too. There's a table in the kitchen and there are four chairs. There's a fridge too. In the living room there's a long sofa in front of a big window. There isn't a TV but that's OK.
