V. Read the passage:

A. Decide the sentences True or False: (1pts)

English is the most important language in the world today. A very large number of people understand and use English in many countries of the world.

Indeed, English is a very useful language. If we speak English, we can go to any place or country we like. We shall not find it hard to make people understand what we want to say.

However, learning a language properly is very important. The basic vocabulary of English is not very large, and only about two thousand words are needed to speak it quite well. But the more words you know, the more ideas you can express, and the more precise you can be about their exact meaning.

Words are the main thing we use in communicating what we want to say. The way we say the words is also very important. Our tone of voice can express many emotions and shows whether we are pleased or angry, for instance.

25. No other language is more important than English nowadays. _____
 26. Not many people in the world know how to use English. _____
 27. Knowing how to learn a language is very important. _____
