

Vocabulary

The best way to learn English

1) Match the words with their definition

To socialize	A person who uses his/her first language perfectly
Mother tongue	The language you learn first as a baby
Native speaker	Talking in a relaxed and fun way with friends
To face	Learning something usually fast without any instructions but on your own
To pick up	Someone from another country
Foreigner	Stand and look at something

2) Fill in gaps using the vocabulary you worked on the previous exercise.

English is her _____

Our teacher is not a _____ but it does not matter.

It's important _____ a native speaker if you want to improve your English.

If I want _____ new words I need to write them.

It's essential _____ when you go out with friends.

He's not from Italy. He comes from Sri Lanka, he's a _____.
