

## Vocabulary

### The best way to learn English

1) Match the words with their definition

To socialize	A person who uses his/her first language perfectly
Mother tongue	The language you learn first as a baby
Native speaker	Talking in a relaxed and fun way with friends
To face	Learning something usually fast without any instructions but on your own
To pick up	Someone from another country
Foreigner	Stand and look at something

2) Fill in gaps using the vocabulary you worked on the previous exercise.

English is her \_\_\_\_\_

Our teacher is not a \_\_\_\_\_ but it does not matter.

It's important \_\_\_\_\_ a native speaker if you want to improve your English.

If I want \_\_\_\_\_ new words I need to write them.

It's essential \_\_\_\_\_ when you go out with friends.

He's not from Italy. He comes from Sri Lanka, he's a \_\_\_\_\_.
