Hello! My name's Jack. I'm eleven years old and I'm from Egypt. I'm tall; I've got short curly hair and big brown eyes. I live with my mother, my grandfather and my two sisters Eliana and Sophie.

Eliana is six years old and she's my favourite sister. Eliana is kind and very funny. She likes painting and she's good at singing too. We like running and playing football together. I'm not good at sports but I like playing with her.

Sophie's birthday was last week. She is twelve years old. My mother, Eliana and my grandfather were at my house but my cousins weren't. There were some balloons and everyone had party hats... There was a small purple cake but there weren't any cupcakes... I love eating cake! We listened to music, danced and played some games outside. We had fun!
