When your piece lands on one of the other person's pieces, you are taking it off the board and you send it back to the beginning. You are winning by getting all your pieces to the end and off the board. Some people are preferring chess, but I am not understanding that game. Right now, I wait to have a game with my brother. He does his homework. I usually win, so I think he doesn't want to play a game with me!'
