# A DAY AT GRANDMA`S HOUSE

Last Saturday, Mia and her brother _____ to their grandma's house. Grandma had a surprise for them—she _____ their favorite cookies! Mia's dad _____ some fresh milk from the store to go with the cookies. After they ate the cookies, Grandma _____ them a small box of old family photos to look at.

In the afternoon, Mia helped Grandma in the garden. Her brother _____ his bike around the yard while they worked. Grandma _____ new plants, and Mia helped her put them in the soil. Later, they _____ lemonade and rested under a big tree.

When it _____ time to go home, Grandma came to the door and _____ them tightly. She gave them a bag of cookies to take home. Mia _____ so much fun that she couldn't wait to visit Grandma's house again.
