

Activity 18.11

From the infographic about how to make wine, complete the blanks with the sequencing words. Then write the sentences into a paragraph.

- _____, grapes are harvested.
- _____, crush the grapes to squeeze and break the grape skins in order to extract juice.
- _____, leave grape juice to ferment until all the sugar has turned to alcohol.
- _____, apply pressure to grapes in order to separate juice or wine from grapes and grape skins.
- _____, the wine is aged for a period of time.
- _____, the wine is bottled before being sent for sale.
