READING

I. Read the following passage and decide whether the following statements are true (T) or false (F).

There are four schools in our city, and each has a unique approach to education. Sunshine Elementary School teaches kids to use games and other fun activities. This helps students to be more creative and think logically. Hillside Middle School has students work together on real-life projects. They can know how to work in a team effectively. Stellar High School has a structured plan and offers advanced classes for college preparation. Bright Horizons Academy focuses on creative arts. The students in this school can learn through music and art. These schools encourage kids to learn in their own way. Families can choose the school that matches what they want for their children's education.

- Sunshine Elementary School only uses enjoyable games to teach kids.
A. True B. False
- Students at Hillside Middle School often team up on projects in real life.
A. True B. False
- Stellar High School has a plan to prepare for students' higher education.
