

Unit 7 Lesson 2

"Why do we live where we do?"

Advanced Tier Activity

Use the Interactive Presentation to answer the questions :

1-Drag the pictures that would help you live in the **desert** and the **Arctic region** to the box.

Desert

Arctic region

2. Click on one Picture that you want to live in :

Then explain why you think it's a good or bad place to live.

3. Choose an environment where you'd like to imagine spending a day:

- a) oasis
- b) desert
- c) farmland
- d) Arctic region

Then Write a short paragraph describing your day in that place.

Guiding questions :

- Do you need water?
- What kind of soil is there?
- How is the weather?
