Dear Sami,

I hope you are doing well! I just got back from my trip with my friends to England, and I can't wait to tell you everything. On the first day, we visited an ancient castle that was so impressive. You could almost imagine knights walking around there! Later, we went to a beautiful harbour, where we saw many boats and even got to try some fresh seafood. The view was stunning and so calming. After that, we took a tour of a famous stadium, which was an incredible experience. You know how much I love sports, so seeing the place where so many exciting games happen was a dream come true. We also visited a historic tower. Climbing to the top was difficult, but the view was totally worth it. On our last day, we spent some time in a part of the city with very modern buildings, including a giant skyscraper. It was amazing to see how it seemed to reach the sky! I really wish you could have been there with us. Hope to see you soon and tell you more in person.

Take care
Ali
