

Stay Safe in the City: Easy Tips for All

Cities are exciting places, but it's important to stay safe. There are many people, (1)....., and buildings, so you need to be careful. Here are some tips to help you.

Use the Pavement

Always walk on the pavement, not on the road. Pavements are for pedestrians. If there is no pavement, walk close to the edge of the (2)..... and face the traffic.

Follow Traffic Lights

Traffic lights are very important in cities. When the light is (3)....., it is safe to cross. When it is red, (4)..... and wait. Always look both ways before crossing the road, even if the light is green.

Be Careful at Crossings and Roundabouts

Use pedestrian crossings or zebra crossings when you want to cross the road. Drivers can see you better there. At a roundabout, wait (5)..... all cars stop before you cross.

Watch Out for Lamp Posts and Signs

Cities are full of lamp posts, street signs, and billboards. Keep your eyes on the road so you don't bump into them, especially if you are using your (6).....

Stay in Well-Lit Areas

When walking at night, stay on streets with lamp posts. Well-lit areas are safer than dark alleys or (7).....

Keep Your Belongings Safe

Pickpockets can be a problem in busy areas like markets or train stations. Keep your bag closed and in front of you. Do not leave your phone or (8)..... on a table or bench.

Avoid Dangerous Areas

Some parts of the city might not be safe, especially at night. Stay in places where there are many (9)..... and shops.

Listen for Alarms and Sirens

In cities, you might hear fire alarms or police sirens. Move out of the way if you hear them. Emergency vehicles need to pass quickly.

Stay Aware

Always pay attention to your surroundings. If you feel unsafe, go into a shop or call for (10).....

Cities are full of life, but staying safe is your first priority. Follow these tips, and enjoy your time in the urban jungle!
