

## Functional language

### Give directions

#### 1 Choose the correct option a, b or c.

- At the roundabout, \_\_\_ left.  
a turn b straight c take
- You'll \_\_\_ a big cinema on the right.  
a look b see c watch
- It's on \_\_\_ left, next to the bank.  
a turn b the c take
- The park is \_\_\_ the hotel.  
a in front b opposite c on top
- \_\_\_ straight on at the traffic lights.  
a Be b Take c Go
- After the cinema, \_\_\_ the third left.  
a take b go c walk
- The police station is at the \_\_\_ of the road.  
a left b opposite c end
- The museum is \_\_\_ to the park.  
a next b right c opposite

#### 2 Complete the conversations with *on*, *at* or *to*.

- A: I'm looking for the main train station. Can you help me?  
B: Sure. Go straight \_\_\_ past the station. \_\_\_ the roundabout, turn left. You'll see it \_\_\_ the left. It's next \_\_\_ a big supermarket.  
A: Great, thanks!
- A: I'm lost! I need to get to the library.  
B: Go straight \_\_\_ past the park. The police station is \_\_\_ the right. Then take the fourth road \_\_\_ the left. You'll find the library \_\_\_ the end of the road.
- A: Can you tell me how to get to Oliver's Books, please?  
B: Oh yes, I know it. Turn left \_\_\_ the hospital. Go straight \_\_\_ for about 300 metres. You'll see a big supermarket \_\_\_ the right. Oliver's Books is opposite the supermarket.
- A: Excuse me. I'm looking for the shopping mall. It used to be right here. \_\_\_ the left!  
B: Yes, it's moved. Don't worry, it's easy to find. \_\_\_ the next roundabout, take the third exit. Then take the second road \_\_\_ the left. You'll see a big fire station and the shopping mall is next \_\_\_ the fire station.

## Listening

### 1 B.01 Listen to Jane and Sam discussing map apps. How do they feel about using them?
