

Match each collaboration strategy to the example illustrating it.

Collaboration strategies
Communicating
Sharing
Tasking
Tracking

Example
Task: "Ahmed, could you research the specific threats to polar bear populations due to melting sea ice?" Strategy: This demonstrates clear communication of individual responsibilities.
Task: "Let's use a shared Google Doc to compile our research findings and draft the presentation outline." Strategy: This illustrates the use of a shared platform for collaboration, allowing all team members to access, contribute to.
Task: "Karim, please create a timeline showcasing the decline of Arctic Sea ice over the past 50 years." Strategy: This exemplifies assigning specific tasks to individual team members based on their strengths or interests.
"We will use a project management tool like Trello or Asana to track deadlines, monitor progress on individual tasks, and identify any potential roadblocks."
