In my city, there are many interesting places to visit and things to do. The museum is the most famous place in the city. It is bigger than the park, but I think the park is the most beautiful. I need to go there more often to enjoy nature. My friend, Anna, loves sports. She must practice sports every day because she wants to be the best basketball player. She can't stand playing soccer, but she enjoys swimming at the weekend, which is her favourite sport. I need to exercise too, but I think running is too tiring. I mustn't skip my workouts because they help me stay healthy. In the city, you can visit many places like the stadium, the zoo, or the shopping mall. There are also many restaurants, but I think the best one is the new Italian restaurant on Main Street.
