Hi Dad,

How are you? I'm writing to invite you to the opening of my new 1)\_\_\_\_\_ store in Brighton! It's a(n) 2)\_\_\_\_\_ venture with my friend Julia. She's been really supportive of me over the years, right from when I was a(n) 3)\_\_\_\_\_ entrepreneur in secondary school and I had my first 4)\_\_\_\_\_ idea for a business! But Julia has always been able to see the 5) picture. Whenever I'm 6)\_\_\_\_\_ in a rut, I go to her for advice. Now we're turning my online business into a high street shop together!

I hope you can come to the opening. It's on Saturday 16th May from 10 am until 4 pm.

Let me know,

Colin
