**LISTENING SONG**

**Take On Me - a-ha**

We're ..... away  
I don't know what I'm to ....  
I'll .... it anyway  
Today's another day to .... you  
Shying away  
I'll be coming for your ....., okay?

Take on me (take on me)  
Take me on (take on me)  
I'll be .....  
In a day or two

... needless to say  
I'm odds and ends  
But I'll be stumbling .....  
Slowly ..... that life is okay  
..... after me  
It's no better to be safe ..... sorry

Take on me (take on me)  
Take me on (take on me)  
I'll be .....  
In a day or two

All things ..... you say  
Is it .... or just to play my worries away?  
You're all the ..... I've got to remember  
You're shying away  
I'll be ..... for you anyway

Take on me (take on me)  
Take me on (take on me)  
I'll be .....  
In a day

taking talking taken  
see saying say  
said say saw  
fine find fain  
  
Lover love loved

come gone came

Saw so soon

away a way awake  
lighting learning living  
said see say  
and than the

come gone came

then that and  
Life leaf live  
think thinks things

coming come in came in

come gone came
