I don't like very much. I don't have much time. But I really like watching Junior. It is on VTV3 , at 8 p.m. every Thursday. I love food. I love cooking. So, I find it very . Not only teenagers, but adults also like this . I often watch it with my Mom. I learn a lot from that . I would like to take part in this too. In the future, I want to become a chef.
