**Task 2: Read the following passage about making a salad and choose T/F:**

Making spaghetti is simple and fun! First, boil water in a big saucepan. When the water is bubbling, add some spaghetti noodles. Let them cook for about 8-10 minutes until they are soft. While the noodles are cooking, you can prepare the sauce. Chop some tomatoes and onions, then cook them in a pan with olive oil. Add salt, pepper, and your favorite spices. Once the sauce is ready, pour it over the drained spaghetti. Combine everything together with a fork and serve it on a plate. Don't forget to sprinkle some cheese on top if you like!

1. The first step is to boil water in a saucepan.
2. The noodles should cook for 10-15 minutes.
3. Tomatoes and onions are chopped to make the sauce.
4. You need to cook the sauce with olive oil.
5. The sauce is poured over the spaghetti after it is drained.
6. Cheese is not mentioned as a topping for spaghetti.
7. After cooking the spaghetti, you should drain the water.
8. The sauce is made with tomatoes, onions, and olive oil.
9. You combine the sauce and spaghetti using a spoon.
10. Spaghetti is served in a bowl, not on a plate.
